

**Three Films.
Three Conversations.
One Community.**

September – November 2026

Cinema In Sync brings people together through films that explore recovery, resilience, and the many ways people find healing.

Each free, alcohol-free screening is followed by an optional “talk back” with expert panelists — a welcoming space to reflect on the film, share your thoughts, or simply listen.

Presented in partnership with ArtsQuest at Frank Banko Alehouse Cinemas in Bethlehem.

Building Our Soundtrack:

The “SoberPlatz 2026 Playlist by Sync Recovery Community”

At **SoberPlatz** during Musikfest 2026, we invited visitors to help us build a shared soundtrack of strength, hope, and inspiration.

By scanning a QR code right from our tables, visitors submitted the songs that speak to their personal recovery journeys, offer comfort, or simply bring them joy.

Thanks to your incredible response, we collected 130 song suggestions, creating an **epic 8-hour and 45-minute playlist**, shaped entirely by our community.

From driving rock like Foo Fighters’ “*Best of You*” and reggaeton like Bad Bunny’s “*Estamos Bien*” to soulful anthems like Andra Day’s

“*Rise Up*” and hopeful tracks like Sara Bareilles’ “*Brave*,” this collaborative soundtrack captures the heart, energy, and positive vibes of SoberPlatz at Musikfest 2026.

Presented by Sync Recovery Community, the full **SoberPlatz 2026 Playlist by Sync Recovery Community** is now live on Spotify.

Save it, stream it, and take it with you — on a walk, a drive, or wherever life takes you today. You are never alone on this journey.

Building a Recovery-Friendly Community

At Sync Recovery, we believe recovery should not be limited by geography, transportation, finances, or access to resources.

Our vision is a community where every person seeking recovery can find meaningful connections, healthy activities, peer support, and opportunities to thrive.

Looking ahead, we are committed to expanding our reach, strengthening our programs, and creating even more opportunities for individuals and families affected by substance use disorder.

See how this vision comes to life in our local community. Visit the [Sync Recovery Impact website](#) to learn how our programs help individuals and families build connections, find support, and thrive in recovery.
